General Rules that Apply to All Events

(From the WSMA Festival Rules, section VI):

- Play two contrasting movements on all multi-movement selections unless other instructions are specified.
- A student may not enter the same event more than once unless the event is specified as an exception in rule VI.B.
- If the length of a selection exceeds 3/4 of the allotted time, the music may be cut to stay within the time limit.
- An accompanist must not exceed 15 accompaniments for any WSMA festival. Use synthesized, prerecorded, and/or computer software programs when accompanists are difficult to find.
- The soloist/a member of the ensemble is expected to introduce the performance at WSMA District and State Festivals, including performer and accompanist names, name of school, title and composer of piece (and if appropriate, movements being performed), and briefly describe a significant aspect of style, form, technique, harmony, rhythm, or melody in the piece.
